RE: Approval to purchase magnetic markings for unmarked 2015 Taurus Police Interceptor

Constable Wright respectfully requests approval for magnetic backing to be applied to the standard vehicle markings. The magnetic markings will have the benefit of being easily applied to an unmarked vehicle whenever necessary. The line item where the funds are located to be used for this project is 001-5570-642.61-12, Patrol Supplies.

Respectfully submitted,

Joe Wright  
Constable Pct. 4
